Adding this additional amount to the preliminary calculation of the maximum real estate tax reduction amount of \$407.27 final maximum real estate tax reduction amount applicable to each approved homestead is \$413.50 and to each approved farmstead is \$206.75.

4. **Homestead and Farmstead exclusion calculation.** Dividing the paragraph 3 maximum real estate tax reduction amount of \$413.50 by the School District real estate tax rate of 17.24 mills (.01724), the maximum real estate assessed value reduction to be reflected on tax notices as homestead exclusion for each approved homestead is \$23,984.92 and the maximum real estate assessed value reduction to be reflected on tax notices as a farmstead exclusion for each approved farmstead is \$11,992.46.

ITEMS FROM BOARD MEMBERS

President Baer read a page from a children's book *Spot*, which she was presented with by BLaST. She presented Dr. Bowers with the book to add to one of our primary schools.

Mrs. Reeves asked if we could consider adding a musical performance to graduation and perhaps reduce the number or length of speeches. Dr. Bowers indicated that he has heard that many people would like a music performance. Administration will look into this suggestion for future graduations.

ITEMS FROM BOARD MEMBERS CONT'D:

President Baer thanked everyone for graduation and all that they do that leads up to graduation.

ITEMS FROM PUBLIC

Tom Adams, district resident addressed the Board on a variety of topics including the need for the schools and family to work together, the need to help students find ways to deal with their emotions, and the need to improve wherever we can.
