j. Context Clues - Lesson	0 : -	10 : 67%	-

You can click on any of the topics in blue to practice. When you click on one of the topics, you are given a few choices of how you would like to practice them. You can simply answer questions on the computer by pressing the Practice Mode button. You can print out worksheets by pressing the Printable Worksheet button. If you press the Game Mode button, your child can practice the skill while playing a game.
