Williamsport Area High School

Summer School 2024

INTRODUCTION-STUDENTS MAY ONLY ENROLL IN ONE FULL CREDIT

Summer school is an academic enrichment program for students who desire additional learning opportunities. Time is precious; each day is equivalent to a week of study during the regular school year.

From June 10 – August 2, Williamsport Area High School will offer summer courses - credit acceleration - to WASD enrolled high school students and incoming 9th grade students (acceleration courses only). Students may only enroll in one summer school class during the summer term. **Non-resident registrations will be accepted this year.**

All summer school courses are being offered remotely in the Schoology (1/2 credit), remotely through Edgenuity (full credit) virtual learning system, and in person for Phys Ed. Students should expect to work 2-3 hours per day. Daily zoom class for Schoology (1/2 credit) course and Edgenuity (full credit) office hours will be available to support students. Course credit is earned with a grade of 65 or higher. ***Students who do not complete the course will not receive course credit and will have the failing grade transcribed on their high school transcript (negatively impacting rank and GPA).***

Registration materials are available online and in the WAMS and WAHS counseling offices.

REGISTRATION INFORMATION – DEADLINE: MAY 24TH

Information and registration forms are available in the counseling offices of the Williamsport High School and middle school as well as on the Williamsport Area School District's (WASD) website: <http://www.wasd.org/summerschool>.

Students need to meet with their counselor to discuss the appropriate course selection. The completed registration form can then be submitted to the Williamsport High School main office or online at <http://www.wasd.org/summerschool>.

REGISTRATION CLOSES THURSDAY, May 24, 2024 or until the class fills.

LATE REGISTRATIONS WILL NOT BE ACCEPTED UNLESS ADMINSTRATIVELY APPROVED.
